

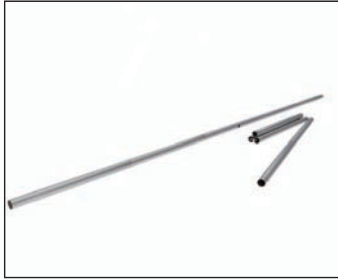

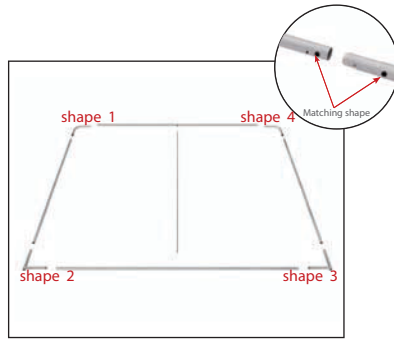

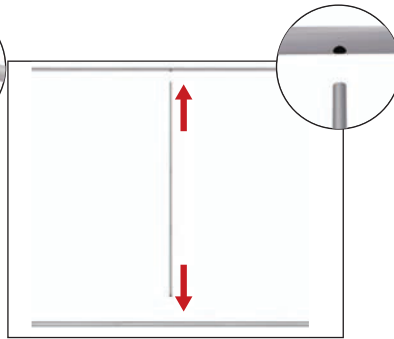

Exhibition Stand - Instructions

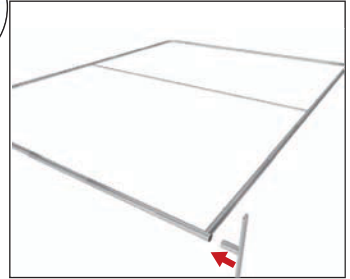

1. Connect poles by pressing & pushing them together.

2. Connect corner sections with matching shape codes.

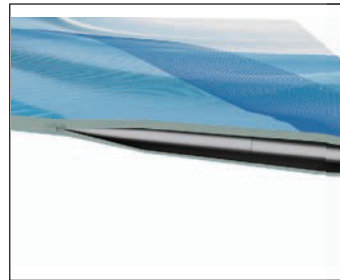

3. Insert centre support poles.

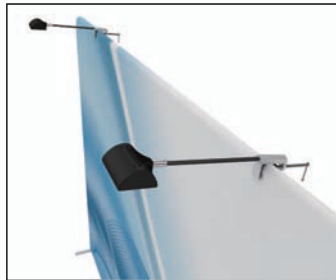

4. Connect feet to the frame by pressing & pushing.

5. Unzip print & lay face down. Slide print onto frame like a pillow case.

6. Zip the bottom edge of the graphic beyond the centre point as shown above. Zip the remaining side & bottom to meet at the corner.

7. Attach lights if any. Position lights as desired & tighten knob to hold in place.

8. Enjoy.

WARNING! OVER TIGHTENING
MAY CAUSE DAMAGE
