WARNING!

Severe personal injury and property damage can result from improper installation or assembly. Read the following warning carefully before beginning.

- If you do not understand the instructions or have any concerns or questions, please contact a qualified local installer.
- Do not install or assemble if the product or hardware is damaged or missing, if you require replacement parts, please contact your local distributor for assistance.
- This product fits most 2x40"-65" LED, LCD and plasma TVs or displays. Each display weight cannot be more than 150 lbs/68.2 kg. Total maximum load for 2 displays is 300 lbs/136.4 kg. Maximum AV shelf load is 25 lbs/11.4 kg. Maximum video tray load is 10 lbs/4.5 kg.
- Do not use this product for anything other than the original design.
- This product contains moving parts, please use with caution.
- The manufacturer disclaims any liability for the modifications, improper installation, or installation over the specified weight range. The manufacturer will not be liable for any damages arising out of the use of, or inability to use, the product.
- Death or serious injury may occur when children climb on audio and/or video equipment furniture. A remote control or toys placed on the furnishing may encourage a child to climb on the furnishing and as a result the furnishing may tip over on to the child." or equivalent.
- Relocating audio and/or video equipment to furniture not specifically designed to support audio and/or video equipment may result in death or serious injury due to the furnishing collapsing or over turning onto a child." or equivalent.
- Use with products heavier than the maximum weights indicated may result in instability causing possible injury.
- All images are for reference, to prevail in product.

ATTENTION!

Des blessures graves et des dommages matériels peuvent résulter d'une mauvaise installation de réunion. Lire l'avertissement suivant attentivement avant de commencer.

- Si vous ne comprenez pas les instructions ou avez des préoccupations ou des questions, s'il vous plaît contacter un installateur local qualifié.
- Ne pas installer ou de montage si le produit ou le matériel est endommagé ou manquant, si vous avez besoin des pièces de rechange, s'il vous plaît contacter votre distributeur local pour l'assistance.
- Ce produit est compatible avec la plupart des téléviseurs ou écrans à LED, LCD et plasma 2x40 "-65". Chaque poids affiché ne peut pas dépasser 150 lb / 68,2 kg.La charge maximale totale pour 2 écrans est de 136,4 kg (300 lb). étagère AV charge max: 25 lbs/11.4 kg ; Vidéo plateau charge maxi: 10 lbs / 4,5 kg.
- Ne pas utiliser ce produit pour autre chose que la conception originale.
- Ce produit contient des pièces en mouvement, s'il vous plaît utiliser avec prudence.
- Le fabricant décline toute responsabilité pour les modifications, une mauvaise installation ou d'une installation sur la gamme de poids spécifié. Le fabricant ne sera pas responsable de tout dommage découlant de l'utilisation ou de l'impossibilité d'utiliser le produit.
- Des blessures graves ou mortelles peuvent survenir lorsque des enfants montent sur des meubles d'équipement audio et / ou vidéo. Une télécommande ou des jouets placés sur l'ameublement peut encourager un enfant à grimper sur l'ameublement et, par conséquent, l'ameublement peut renverser sur l'enfant » ou équivalent.
- Le déplacement de l'équipement audio et / ou vidéo vers des meubles qui ne sont pas spécifiquement conçus pour supporter un équipement audio et / ou vidéo peut entraîner la mort ou des blessures graves du fait que l'ameublement s'est effondré ou tourné sur un enfant.
- L' utilisation des produits produits dépassant le poids maximum indiqué pourrait provoquer une instabilité susceptible de causer des blessures.
- Toutes les images sont à titre de référence, à l'emporter dans le produit.
