

INSTRUCTION FOR ARYSSA3B, ARYSSA3BH, ARYSSA4A, ARYSSA4BH

1. Attach Main Body and Base with M6*30 screws.
2. Insert 4 pcs of M4*32 screws into 4 holes at the top of the main body. Put the Aluminium screws onto the M4*32 screws. Tighten M4*32 screws with M4 Nuts at the back side.
3. Attach the poster holder with 4 pcs of Aluminium screw nuts. Then put the Aluminium screw nuts and poster holder onto the M4*32 screw and tighten them.
4. (For **ARYSSA3BH** and **ARYSSA4BH**) Align screw holes on the brochure holder to the screw holes on the main body. Then tighten them with M4*12 screws.
