

Assembly Instructions

Parts List:

- 1x Double sided Snap Frame
- 2x Protective Lens
- 2x Spring Feet
- 1x Plastic Base
- 2x Bolts

1 Screw the spring feet onto the poster frame

2 Insert the spring legs into the holes in the heavy duty base

3 Tilt the unit over. Tighten the bolt supplied to fix the frame to the base

4 Snap open the four sides and remove the plastic protector sheet to insert graphic poster.

5 The unit can be easily wheeled into position.

6 The base can be filled with water or sand to make it more stable.

The unit is ready to be used.
