

2 in 1 Portable Exhibition Kits - Instructions

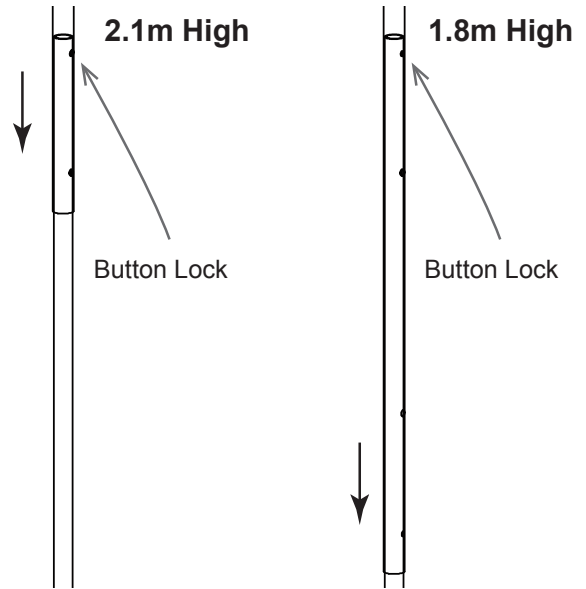

Frame Assembly

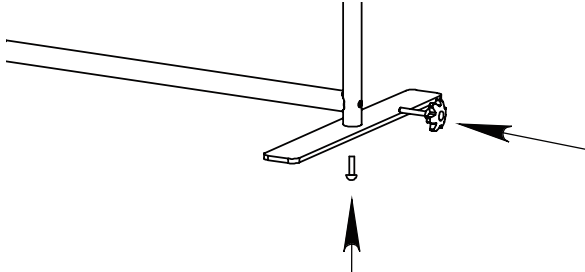

1. ADJUSTING WIDTH

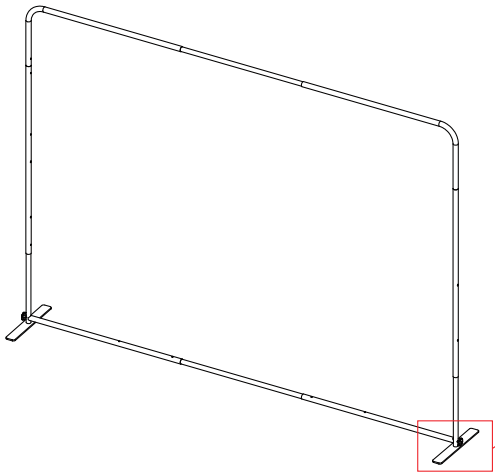

2. ADJUSTING HEIGHT

3. FOOT ASSEMBLY

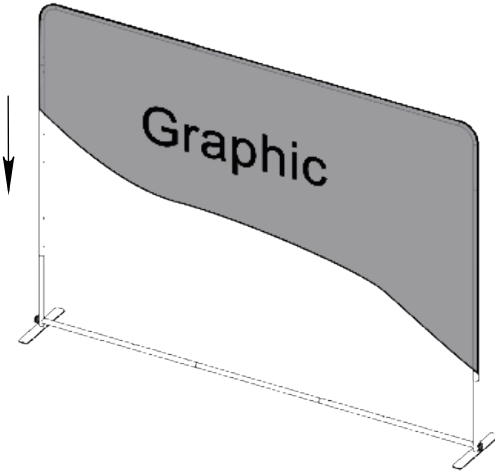

2 in 1 Portable Exhibition Kits - Instructions

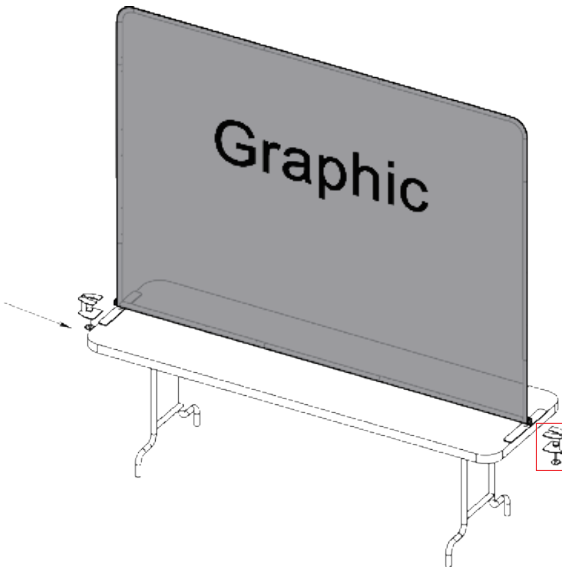

Step 1:

Connect the tube frames together by matching the corresponding numbers labelled on each part. Connect the cross brace and feet last

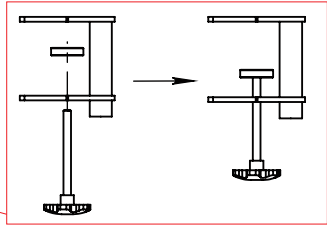

Step 2:

Slide the stretch fabric over the frame. Zip the fabric over the frame.

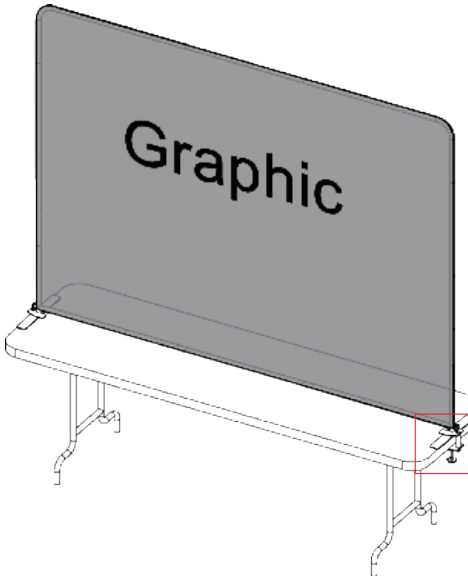

Step 3:

When using on tabletops, slide the clamps over the banner feet.

Connecting the clamp and the screw

Step 4:

Tighten clamps by turning the dial to secure banner to the table. Completed.
