

# Garment Rack Assembly Instructions

Step 1.  
Place Base Weight inside  
Chrome Base Plate and insert bolts  
and spacer as shown.

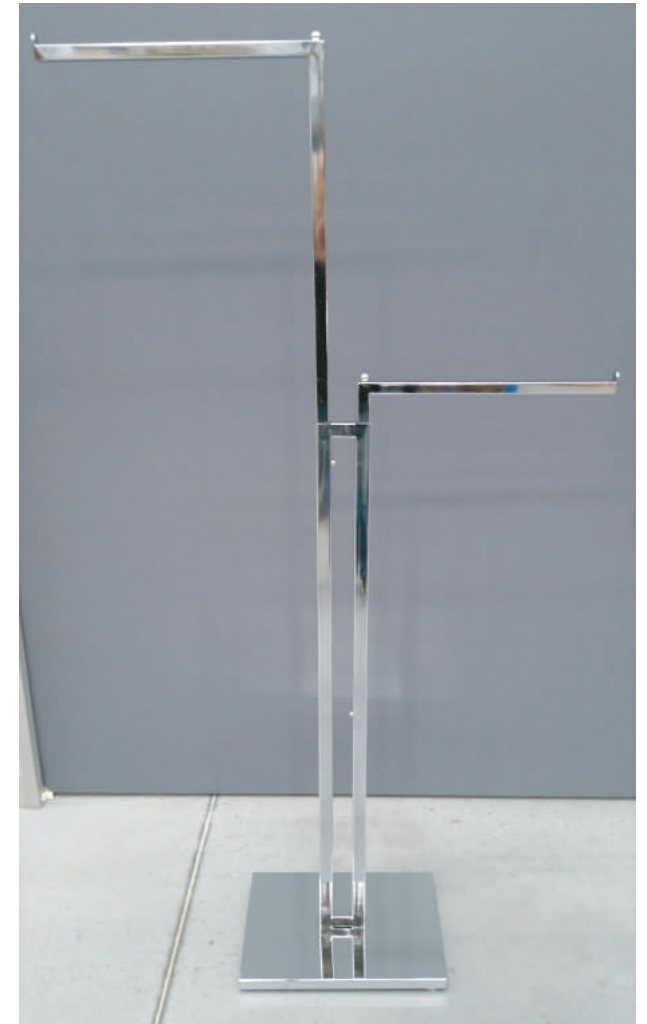

Step 2.  
Attach the Twin Tube Upright to the  
Base Assembly by screwing in the  
bolts.

Step 3.  
Screw in 4x levelling Feet.

Step 4.  
Insert Arms in to Twin Tube Upright.

Press the button to adjust the arms to  
the required height.

Garment Rack is ready to use.
